Given their record, I don't expect anything soon. Jamie is fast but the others seem to take a while to get to it. Ironical considering the pressure HQ puts on timely review from the Regions. I guess I am being a little cynical....

Hi Jamie,

Given the storm, I was wondering about your latest projection on when we will see HQ's combined edits to the decision document and response to comments.

Hope all is okay with you.

Hi Heidi (and others),

I just received another call from OR DEQ on the status of our action on their 2010 303d List. When should we expect to receive HQ's comments? It sounded like from your email, we would receive comments either COB on Monday or early on Tuesday and it is now Wednesday.....

Cheers,

Hi Chris,

What date are you thinking would be a good due date? When Eric sent his email on 9/14 in response to Dave's email of 9/11, he said you would be able to "start reviewing the information early next week and would not likely be ready for a discussion until mid- to late-week the following week." I interpreted this statement to mean you would be able to review the documents this week so I gave a due date of next Monday September 24 which is nearly two weeks.

Hi Jayne,

I just spoke with Heidi and Jamie and we are unable to speed up our review, due to a convergence of deadlines for some active litigation and briefings that we are involved in for management this and next week, combined with vacation schedules .

We are still on the schedule of getting you comments mid to late week, next week.

Thanks Dave. Schedules have been a challenge to organize here, given planned travel and upcoming litigation brief reviews and settlement discussions next week. As such, folks on the team here wont have an opportunity to start reviewing the information until early next week and would not likely be ready for a discussion until mid- to late-week the following week. Let me know if that is amenable on your end.
